### IN BRIEF:

Glen became a major Lucille Ball collector when he moved to New York in 1983 and have since become recognized by many as having one of the largest "Lucy" collections around. Some may remember him from A & E's Biography when they did their tribute to Lucille Ball & Desi Arnaz. Many pieces of his collection are featured as well as a few cuts of his interview with them. He's an Actor and currently performs in and around the NYC and Baltimore, Maryland area with his one-man show, *LOVING LUCY: A MUSICAL TRIBUTE TO LUCILLE, DESI & I LOVE LUCY*.

## HEADSHOT AND OTHER INFO:

Lucille Ball came into most people's lives with the beloved classic I Love Lucy. But her story really begins with a small-town girl, working hard to make ends meet and hitting the gritty New York streets to break into the movie business. Her dreams of stardom would eventually come true and her journey from there to starring in one of the most successful television shows in history continues to inspire generations of fans. Celebrating her warmth, grit, and spirit, Glen Charlow's collection is a trove of posters, pictures, movie memorabilia, film and TV stills, Hollywood memorabilia, toys, games, dolls, and so much more-honoring the woman who, to this day, makes us smile.
